

# Note from the President

Hello Neighbors,

I certainly hope everyone has enjoyed their summer, despite the cooler temperatures and a fair amount of rain. Of course it still went by in a hurry, but the fall colors will soon be here in all their splendor.

Since the last newsletter, we had some changes to the Rochdale Board. At the Annual Meeting, Trisha Cox was voted in as our new Secretary. Welcome, Trisha! And Thank you! Tiffany Fronck, former Secretary will continue to serve as a Director.

Tiffany has been a huge asset as the Secretary and I'm glad she is still going to help out as a Director. We, unfortunately, did have two Directors step down this year. I'd like to thank David Grice and Cal

Pasbjerg for their time spent as Directors. If you were unable to attend the annual meeting the minutes are posted on the subdivision website, [www.Rochdalesub.com](http://www.Rochdalesub.com), as well as the most recent board meeting on September 10th.

There are a few agenda items I'd like to mention. The Board has voted to not replace the "Subdivision" sign that was at the Orchardale entrance. The Board only received a few comments on this matter, all stating it was a confusing sign. The Board also voted to treat the pond for two years with a pellet form bacteria product to reduce organic sediment, muck, on the bottom. This reduces the amount of nutrients available for

algae and other invasive aquatic plants to feed on, therefore, improving the ponds health and appearance. Since we had such a great turn out at the children's Halloween party last year the Board did vote to have one again. **See the details on page 2.**

That's all from me, but if there is anything you would like the Board to address, please feel free to contact me and I will add it to the agenda.

*Warren DeWitt*
